

UNIVERSITY OF  
FLORIDA

**EARLY STAGE SERIES**

# Starting a Technology-Based Company

## So You Think You Want to Start a Company

*Wednesday, May 4  
11:30AM - 1:00PM*

Learn about the many aspects of starting a technology-based business, including business structure, financing, ROI, start-up dollars, business plans, and more. Facilitated by Dan Rua of Inflexion Partners, an early-stage venture capital firm.

During lunch, Erik Sander will discuss research dollars available through the Florida High Tech Corridor Council's Matching Funds research program

## Funding for Researchers & Start-Up Companies

*Wednesday, May 11  
8:30AM - 5:00PM*

Instructors Jim and Gail Greenwood are nationally known for their expertise in helping entrepreneurs make successful Small Business Innovation Research (SBIR) proposals. Learn what this funding source can do for you!

## Where Do I Go From Here?

*Wednesday, May 18  
11:30AM - 1:00PM*

Learn about the many local resources available to assist you in starting a technology-based business. Featuring area business incubators, the UF/Economic Development Administration University Center, and a Gainesville-based angel investor group.
